Action or Notice of Allowance. The fee set forth in 37 C.F.R. § 1.17(p), in the  
amount of \$180, is enclosed.

Pursuant to 37 CFR §1.97, regarding the filing of an Information

with the duty of disclosure as set forth in 37 CFR §1.56. The art provided  
herewith is art which has come to the Applicant's attention within the last three  
months and subsequent to the filing of the last Information Disclosure

Information or art known to the Applicant and having an extent of  
relevance to the present application has been listed on PTO Form 1449  
attached hereto. It includes two U.S. patents. The Applicant has employed  
PTO Form 1449 for the purpose of convenience of the Office and the Examiner.

No representation is made that the information is non-cumulative, or that the information represents the only or the best information. The Applicant does not admit that any of the information he has provided is necessarily prior to his invention but rather that it is information of which he is aware and that he believes should be provided to the Office in fulfillment of his duty of disclosure. Any question that may arise regarding priority of a specific reference shall be resolved during prosecution.

Based upon the differences between the Applicant's invention as compared to the teachings and disclosures of the art provided, it is the Applicant's belief that his invention is neither anticipated nor suggested by these references. In the event further clarification of the art may be deemed necessary, the undersigned attorney would welcome a telephone call from the Examiner. Should the Examiner hold a contrary opinion regarding relevance of any of the patents discussed herein, it will readily be reconsidered in light of any rejection which may be made.

In the event that the enclosed fee is not sufficient, the Commissioner is hereby authorized to charge payment of any additional fees associated with this communication or credit any overpayment to Deposit Account No. 18-0987.

Respectfully submitted,
